No. 3644 of the 24th Jan. 08.

Calls for a report about the extent & value of the estate as also the probable amount of the loan that may be granted.

3. From the Sylvan, No. 563 of the 11.3.08

Reports that the village measures 1699 acres with an Estimated assessment of Rs: 3225 according to the Resurvey, that the net annual receipts amount to Rs: 2600, and that the market value of the village is Rs: 34000.

Re also the subdivisional Asst. Para 4.

The Sylvan Strongly recommends the loan. The Security offered is quite ample. Under the rules laid down for the relief of Encumbered Inamdars, a loan equal to twelve times the annual net revenue is permissible. In the present case the loan asked for is only 8 times the net revenue. All Encumbered Inamdars, with the single exception of Nakelin Basalingaiah Svs, pay interest at 5%. A loan of Rs: 20000 is discharged fully in ten years by annual repayments of Rs: 2600 with 5% (compound interest.)

The income of the village likely to be realised seems to have been somewhat overrated by the Deputy Com^r. according to the report of the amildar dated 14-2-08, it is Rs 1700 (on the average of the past 7 years) against the D.C's estimate of Rs 2600

The amildar explains why actual revenue collected has been lower than the estimated revenue. He estimates the ordinary revenue at 2600 Rs. A loan of 20000 Rs at 5% compound interest may be granted, the village being taken under govt management. The loan may be sanctioned next year (08-09) if funds can be found in the ways & means &c.

SIR,

Adverting to your letter No. 7636-44 Fl. 7ni 221-07-2 dated the 24th January 1908 forwarding for report the application dated the 12th December 1907 received from Mr H.C. Devaraj Urs, Inamdar of Kempanpura village in the Chamarajanagar Taluk, residing in Nazarbad Mohalla, Mysore, praying for a loan of Rs 20,000/- on the security of his Inam village, I have the honor to state as follows:-

1. The village has been surveyed but the survey jamabandi has not yet been settled.

2. The feeder Channel of the village Tank is almost silted up - The two waste weirs and the sluice as well as the Channel want urgent repairs in the interests of the Garden lands

under this Tank to an extent of Rs 5000/- as estimated by the Amildar of the Chamarajanagar Taluk.

be available every year towards the repay-

As the present management seems to have
been conducted unsatisfactorily, many
of the ryots have become defaulters.

As the Inamdar prays for the redemp-
